DO YOU WANT \$3,500 ALL IN CASH

IF SO GET IN THE PIKTUR-QWZ GAME—\$15,000 IN CASH PRIZES.

PICTURES REPRESENT TITLES OF BOOKS—FIT PICTURES TO THE BOOK—THAT'S ALL.

What would you do with \$3,500 if you got it for a little effort? You might buy a home, a small farm, go off to school, or go into business. Do you know that that much money is now on deposit to pay the first prize in the Piktur-Qwz game more fully advertised in this paper today? Besides this big cash prize there are 1,644 other cash prizes bringing the grand total in cash to be given away for a little effort up to the magnificent sum of \$15,000. It costs nothing to try for these prizes. All you have to do is to send in as much as \$1.00 for a renewal of your subscription or a new subscription to the West Virginian and \$1.00 for a three years subscription to the Woman's World Magazine, one of the best and most ably edited magazines published at any price. So you will get full value received for your money should you fail to get one of these valuable prizes. But with so many chances to win you certainly ought to get one of the big cash awards. Why not try it? It is an interesting study, educational and valuable even if there were no prizes offered for your trouble. You get all the pictures at once with a catalog giving the titles of all the books represented by the pictures and all you have to do is to study out the titles to suit the pictures. You can do it. Some one always does it in every booklovers contest, and the big papers have conducted hundreds of them. Your opportunity is presented. There is no doubt about these prizes being paid. If there was the West Virginian would have nothing to do with it. We know the Woman's World Magazine, have subscribed for it for years and would not like to do without it at even a higher price. It is printed on good book paper, attractively illustrated, and filled with the best of literature, high toned and fit for the best of homes.

Prisoners To Work On Roads

SHERIFF CONAWAY GETTING
READY TO PUT SQUADS ON
COUNTY HIGHWAYS.

In compliance with the new state law which provides that prisoners confined in the county jails may be placed at work upon the county roads, the county court has ordered an order directing that the law be placed in effect in this county.

The court has authorized the sheriff of the county to appoint a guard or as many as he thinks necessary to look after the men while they are at work to prevent their escape, and also to make any other arrangements that may seem advisable to get the best results from the experiment.

Sheriff Conaway is getting ready at the present time to put the order in effect and will probably have the men at work on or before the good roads days on May 28 and 29, which have been proclaimed by the Governor of the state. It is expected that a guard will be necessary for about every ten men placed on the roads.

The labor done by the prisoners will be under the direction of the County Road Engineer, who will have personal supervision of the work.

New Street To Be Opened

WILL RUN PARALLEL WITH
MAIN—NEW RESIDENCES
GOING UP.

A new street half way between Jackson and High streets and running parallel to them and joining Jefferson street will soon be opened on the property of Mr. A. B. Scott. Mr. Scott has divided the parcel of ground owned by him into five building lots, all of them facing the new street which is to be opened. The width of the contemplated new street is 15 feet and it will be paved and put in first class condition by Mr. Scott.

The old house which stands on the lot sites at present, is being torn away and on this location, which is the corner lot, Mr. Scott will erect a handsome 2 story frame residence in the near future.

The other four lots facing the new street will be placed on the market by the owner, and it is likely that in a short time handsome residences will also be erected on these.

\$15.00 REWARD.

\$15.00 reward will be paid for return of diamond and sapphire bar pin found on Friday. Return to West Virginian office and receive reward.

Are Charged With Loitering

Constable Riggs, Deputy Sheriff Buckley and Chief Harr yesterday afternoon made a raid on a house in the outskirts of the Third ward and arrested the occupants who were Minnie Wells and Frank Fisher. They were found in a room together and were brought to the county jail and charged with loitering.

They were later taken before a justice and gave bond of \$100 for their appearance before the next grand jury and were released.

A Doctor's First Question Is—?

"How are Your Bowels?" A Simple Remedy that Guarantees Good Bowel Action.

Trace the reign of the commoner ills of life and almost invariably you will find that constipation was the cause. It is not to be expected that a mass of fermented food can remain in the system beyond its time without vitiating the blood and affecting the nerves and muscles. It congests the entire body.

The results are cold, fevers, piles, headaches, and nervousness, with its accompanying indigestion and sleeplessness. There is only one thing to do, and that is to remove the trouble; when nature seems unable to do it, outside aid is necessary. You will find the best of all outside aids a remedy that many thousands are now using for this very purpose, called Dr. Caldwell's Syrup Pepsin. Many hundreds of letters are received by Dr. Caldwell telling of the good results obtained, and among the enthusiastic letters is one from Lieut. G. W. Vaughan, of 623 W. North St., Decatur, Ill. He is 72 and has had a bad liver and stomach since he came out of the army. He says he tried about everything, but never succeeded in getting permanent relief until he took Dr. Caldwell's Syrup Pepsin. He is never without a bottle in the house, and he is never without good health.

It has untold advantages over pills, salts and the various coarse

LIEUT. G. W. VAUGHAN

cathartics and purgatives, for while these do but temporary good, Syrup Pepsin cures permanently. The effect of its action is to train the stomach and bowel muscles to do their work naturally again, and in a short time all form of medicine can be dispensed with. It can be bought without inconvenience at any nearby drug store for fifty cents and one dollar a bottle, the latter size being regularly bought by those who already know its value. Results are always guaranteed or money will be refunded.

Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.
